Gwalior. ShriJi Garba and Dandiya Festival Season 3 has once again been the number one Garba event in the Gwalior-Chambal region. This time, our aim is to make it the number one Garba event across the whole state. With the spirit of Indian Sanatan tradition and full devotion to goddess worship, 411 participants took part in the ShriJi Garba event. Currently, the ShriJi Garba event ranks in the top 3 in Madhya Pradesh. This information was shared on Friday during a

discussion with journalists by Nitin Agrawal, head of ShriJi Events and Planners, and Ketan Karan Agrawal, joint secretary of the Jeevaji Club.

The main organizer of Shreeji Events and Planners, Nitin Agarwal, said that our Garba festival held at Jivaji Club has become the pride of the region. This time, our plan over the next two to three years is to hold Gwalior's biggest Garba festival in a stadium with four thousand participants. For this, our team and all collaborators are already preparing. Nitin Agarwal mentioned that in Season 3, 411 participants took part enthusiastically. After nearly a month of training, practice, and cultural activities, a three-day event was held at Jivaji Club on October 16, 17, and 18. The hard work of the participants, support from families, and dedication of the organizing team made this festival a success.

During Season 3, in theme events like Back to the 80s, Rajasthani-themed 'Banthan Ri Raat', Desi grandeur, and an evening of devotion in Awadh style with colors of Shri Ji, people got to see various shades of Indian culture. The three-day festival was specially highlighted by Bollywood artists Anjana Sukhani, Kajal Jain, Aparshakti Khurana, and Smiley Suri. Celebrity garba rounds, special garba rounds for the audience, a live orchestra, and a percussion band boosted the festival’s excitement. On the final day, a special audience round featured live bhajan jamming from artists from Delhi, bhajan clubbing, and performances by a

live band, creating a memorable atmosphere of devotion and music.
