Gwalior. In opposition to Hardeep Puri being made the Rajya Sabha candidate from Madhya Pradesh by the Bharatiya Janata Party amid questions over the Epstein file controversy, the City District Congress Committee of Gwalior, under the leadership of City District Congress Committee President Surendra Yadav and in the presence of MLA Dr. Satish Sikarwar, staged a strong protest at Achleshwar Chowraha as per the instructions of the Madhya Pradesh Congress Committee and burned an effigy of Hardeep Puri. During this time, Congress leaders and workers raised slogans against the BJP decision and expressed their protest loudly.

While burning the effigy, City District Congress Committee president Surendra Yadav and MLA Dr. Satish Sikarwar said that the BJP leadership should clarify why such a person was made a candidate for the Rajya Sabha from Madhya Pradesh, whose name is under question in the Epsteins files controversy. Even then, BJP has ignored the sentiments and respect of the state and made such a decision. This decision disregards the respect of the people of the state. BJP should answer this decision in front of the people of the state. The Congress party will not remain silent on this issue and will not accept any compromise on the respect and sentiments of the people of the state.
