Karva Chauth had postponed the foundation laying of TMZ

Published: 23 Nov 2026

Gwalior. The much-talked-about ambitious TMZ project's foundation laying in Gwalior was postponed by Karva Chauth. Karva Chauth was on October 29, and on the same day, Madhya Pradesh officials, without thinking much, finalized the date of October 29 as given by the Central Home Minister's office. Even the Central Minister Jyotiraditya Scindia and Chief Minister Dr. Mohan Yadav didn't pay attention to it. Preparations had already begun; at full scale, land leveling and pandal setup were taking place at SADA. Security and preparation alerts had

also been issued.

Later, on the 29th, regarding Karva Chauth, the wife of a senior officer brought it up, and only then did the officials and IIDC realize that Karva Chauth falls on October 29 and most officers, employees, leaders, and common workers were not willing to attend. After that, some officers managed to inform Union Minister Scindia and Chief Minister Dr. Mohan Yadav, and as the matter progressed, it reached Union Home Minister Amit Shah. He, showing support, postponed his Gwalior visit and the TMZ foundation-laying ceremony on October 29. Only then did the officials in Gwalior breathe a sigh of relief. Otherwise, if they stayed away from home on Karva Chauth, their wives would definitely summon them. Now the officers are certainly thanking those ladies who reminded them about Karva Chauth.
